

## CLV - SPECIAL INSPECTIONS

Project / Planning # 28888  
 Application/Permit # 119295

Some items in the special inspection scope of work, SI-6, are to be inspected by the City of Las Vegas inspectors. **Please call the express line at 229-5112 between 7am-4pm to schedule these inspections.**

An inspection hold 109 is placed on the permit(s). This is to ensure that the required inspections are scheduled. Once these inspections have passed, the City of Las Vegas Area Inspection Supervisor will remove the Inspection Hold. Fees for the CLV Special Inspections are **\$80.00 per hour with a 2 hour minimum.**

To aid the Contractor, the special inspections items from the SI-6 are summarized below, with the corresponding inspection type number. Please refer to these numbers when calling for special inspections
